MEMORANDUM FOR: Director of Central Intelligence
Deputy Director of Central Intelligence

FROM : SA/DCI/IA

SUBJECT : Agenda for Breakfast Meeting with Secretary Weinberger,
5 March 1982

1. The following items have been requested by Defense for your breakfast meeting on Friday.

- OSD Representation on the NFIC. (They apparently want to have Stilwell and Latham as members.)
- Executive Order 12065. (They will be ready to respond to your memorandum.)

3. Defense may also wish to raise the status of efforts to combat the Florida crime problem, but I will not know for sure until tomorrow morning. A subject you may wish to add to the agenda would be comments on the Washington Post article reporting Richard DeLauer's comments on Soviet space laser systems. Defense initially wanted to discuss the status of USG efforts to combat terrorism in Europe, but they have decided to postpone such a discussion until Stilwell and McMahon meet on 17 March.

4. Please let me know if there are any other topics you wish to discuss.
